Re: letter of verification

Dear Marline;

This letter is in response to your request to verify and confirm your dates of employment and your overall responsibilities for viaHealth Genessee Hospital.

You were hired May 3, 1999 to work as a Unit Technician. You worked as an employee here until November 3, 2000.

As a Unit Technician your overall responsibilities were providing, organizing and supporting services to the unit. Performing direct patient care and indirect activities to facilitate unit functioning. Clerical responsibilities included transcription and maintenance of patient's charts.

A High School Diploma or its equivalent, plus 1 year experience and or Certified Nursing Assistant or Home Health Aide is required for Unit Technician II level.

Sincerely;

Kenneth Frazier
Assistant Director, Human Resources
ViaHealth Genessee Hospital
